SUBJECT: Proposed General Fund and Education Fund Budgets for Fiscal Year 2021-22

The proposed General Fund and Education Fund budgets for 2021-22 (FY22) are attached.

The General Fund budget projects revenue of about \$53,000 and anticipated expenses of roughly \$83,000. It shows the difference in anticipated revenues and expenses being funded by a transfer from the Legacy Fund of \$30,000. Funds carried over from the current fiscal year, if any, will reduce the amount transferred from the Legacy Fund.

The Education Fund budget projects expenses of \$25,000, forty percent of which is devoted to voter services and education. A small portion of the expenses may be covered by grant funds. We anticipate that the Education Fund will require support of about \$7,000 from the General Fund.

We received submissions from Board members and staff requesting additional funding. Our income from grants and community elections is down significantly and may remain depressed into the budget year. For this reason, we propose a moratorium on most of these expense increases for FY 22.

Also, to bring anticipated spending closer in line with anticipated revenue, we looked for a way to make one significant spending cut. We considered each of the major expense lines in the budget. Our recommendation is that we budget nothing for sending delegates to the US Convention in Denver at the end of FY22. This will probably save more than \$8,000 based on the level of support we would normally provide for our delegation.

We believe cutting out the convention expense is the best way to reduce the budget shortfall with the least disruption to members and to the orderly operation of the League. Also, that expense would not be incurred until the very end of FY22 so it could be reinstated in part or in total if our financial picture has improved by that time.

This budget continues the pattern of the last several years in which we must draw from the Legacy Fund to cover the significant gap between regular income and regular expenses. We believe that this is unsustainable in the long run and that the League needs to prioritize fund raising. This would include pursuit of grants, solicitation of contributions from individuals and organizations, promotion of Qualified Charitable Distributions from Individual Retirement Accounts, and encouragement of bequests to LWVFA.

We request the approval of these budgets by the Board of Directors, and your recommendation that the membership adopt these budgets in April.

Meet Your Nominees

Pat Fege – Co-President

Pat is a graduate of Concordia Teachers College (BA) and Teachers College, Columbia University (MA). She taught in several Michigan school districts and Fairfax County Public Schools (FCPS). She has been a classroom teacher, reading teacher, student teacher supervisor, GMU adjunct instructor, FCPS Title I Coordinator, and FCPS K-12 Language Arts Coordinator. She served on many FCPS committees and held several offices, including president, of the Greater Washington Reading Council. Upon retiring from FCPS in 2017, she joined the League. She is active on the LWVFA High School Voter Registration and Education team and is passionate about helping high school students register and learn more about voting. She helped organize two Candidate Forums and is chair of the Springfield Unit. She also volunteers as a scholarship reviewer for the Community Foundation for Northern Virginia and as a story time volunteer for the Fairfax County Public Library.

Lois Page – Secretary

Lois is a graduate of Dickinson College (B.A.) and West Virginia University (M.A.) and has spent many years in the education field, most recently with Fairfax County Public Schools. Upon retiring in 2001, Lois worked part time for GWU's Graduate School of Education and Human Development doing teacher training, and later with a program in GWU's School of Media and Public Affairs assisting scholastic media programs, principally in the District. She retired last year. Lois first joined the League in Harrisburg, PA, and has been a member also in Syracuse, NY, and Hightstown NJ. She has served as chair for the Fairfax Station Unit for LWV Fairfax Area for several years, Program Chair for 5 years, and then for her four years as Secretary to the LWVFA Board. She served on the Board of LWV-VA for two years as state Voter Coordinator and then served as Co-president of the Virginia Board from 2015 to 2017.

Donna Blake – Membership

Donna spent her fifty-year career as an atmospheric scientist in university, government, and private industry roles. Her last position was as part of the team which developed and patented an environmental sensor package for unmanned airborne vehicles. Her primary professional organization is the Military Operations Research Society where she served in many positions while working on the various symposiums and meetings as an organizer and presenter. For many years Donna worked as an election officer where she became increasingly concerned about the number of adults who do not vote. She joined the League of Women Voters (LWV) with the passion of making voting more accessible to every adult. She has worked with Sidney Johnson and the LWV to send out letters every year to the senior citizen residences and centers, explaining how to obtain information on voting for their members from the Fairfax County Office of Elections.

Katharina Gollner Sweet – Public Relations

Katharina retired in September 2018 from the U.S. Department of State after serving nearly 25 years as a Foreign Service Officer. Her last assignment was as Executive Director of the J. William Fulbright Foreign Scholarship Board, in Washington, D.C. During

her overseas assignments at U.S. embassies and consulates she directed media relations and cultural and educational exchange programs. Katharina holds a B.A. from UCLA in French Literature and an M.S. in Foreign Service from Georgetown University. Katharina joined the League of Women Voters in September 2018. She is married and has two teenage children.

Donald Craig – Voters Service

Don moved to NOVA in 2016 after being raised in Orange County California where he volunteered in several community organizations. He retired from AT&T Wireless as a manager; in early 2018 Don started getting involved and advocating after joining Metropolitan AME Church in DC where he participates in several ministries. Other non-profit organizations that Don is involved with are Faith Alliance Climate Solution; Community of Trust Committee; Virginia Poor People's Campaign; LWV-FA volunteering with the High School Voter Education & Registration committee and recently as a Co-Chair of the Voter Access & Services sub-group of the LWV-VA. Don is married and has two daughters and seven grandchildren.

Arina van Breda – Voter Registration Coordinator

Born in the Netherlands, Arina grew up in the New York area. A graduate of Boston University Medical School, she lived in the DC area during residency then, after fellowship training in Boston, she returned to practice Interventional Radiology in Alexandria. Wanting to continue teaching, she was Clinical Professor at GW University and MCV, published books and scientific articles in her specialty and lectured around the world. She was the President of the Society of Interventional Radiology and board member of several national medical organizations. She later obtained a Master's Degree in Medieval Studies at Catholic University. Arina retired from a 42-year career as practicing physician in 2019 and promptly joined the League of Women Voters in order to increase participation in democracy by voter registration and education. She enjoyed helping with the high school voter registration drive as well as assisting at the Farmer's Market voter outreach during the challenging 2020 election cycle. She is a long-time resident of the Mt Vernon area.

Cindy Kalkwarf - At-Large

Cindy spent her career in various leadership positions in finance, operations, business management and software consulting. Highlights include VP of Finance for a telecom consulting company; Director of European Consulting, and Managing Director for a major software company; and lastly running her own software consulting practice. She graduated with a B.A in business Magna Cum Laude from Gettysburg College, followed by an MBA from George Mason University. She also earned her C.P.A. and PMP (project manager professional). After retiring in 2017, she and her husband David Toms took their 6-month trip of a lifetime by sailing their yacht from Annapolis to the Bahamas and back. Upon returning to land, she joined the League in June 2018 and began helping with the Candidate Forums, voter registration, and as Membership Chair for her Reston Evening Unit.

Nancy Roodberg – At-Large

Although Nancy focused her education on business, BA from Duke Magna Cum Laude followed by a Master's Degree in International Management, she has spent most of her adult life as a volunteer. She has been very active in the Parent Teacher Association and various parent-led committees at each school attended by her two children from pre-K through High School. Perhaps that is why she has so enjoyed her work with the LWVFA's high school voter registration and education efforts. This program is a shining example of the positive role the League plays in empowering citizens to use their vote as their voice thereby strengthening our democracy. Nancy's other big volunteer work involves directing a 501c3, Reboot Reuse Rebuild, that provides computers to learning centers serving at risk youth in the DC metro area.

Judy Helein – Nominating Committee Chair

Judy is a graduate of St. Louis University School of Nursing. From 1979-1985, she was the Executive Director of the Voluntary Action Center (now Volunteer Fairfax). From 1985 to 2000 Judy was Director of the National Volunteer Resources Department for the American Association of Retired Persons (AARP) in Washington, DC. Judy went back to nursing and from 2002-2006 lived in Cambodia co-directing the Maryknoll Prevention of Mother to Child Transmission Program (a program for HIV+ pregnant women). After returning to the states Judy served as the Manager of Human Resources for the Maryknoll Lay Missioners organization in New York. In 2009 Judy moved back to Virginia and joined the League of Women Voters of the Fairfax Area. She served as Program Co-Director from 2012-2016 and was appointed Co-Chair of the League of Virginia's Firearms Safety Task Force in July of 2015.
